The Haavara Agreement was an agreement signed on 25 August, 1933, for the exchange of Jewish people between National Socialist Germany and British-controlled Palestine.

The agreement itself was signed by the Reich Economics Industry, the Anglo-Palestine Bank, and the Zionist Federation of Germany – all three being Rothschild -controlled.

THE WHOLE PURPOSE OF THE HAAVARA TRANSFER AGREEMENT WAS TO ALLOW THE JEWISH PEOPLE TO LEAVE GERMANY WITH THEIR WEALTH INTACT IN GERMAN GOODS.

THE JEWISH IMMIGRANTS SOLD THEIR EXISTING ASSETS IN GERMANY FROM THEIR GERMAN BANK ACCOUNTS FOR GERMAN GOODS AND THEN TRANSFERRED THEM TO THEIR NEW HOMELAND IN PALESTINE.

NAZI JEW HITLER WAS PLACED INTO POWER BY THE ROTHSCHILD

Hitler was named Chancellor of the German Reich on January 30, 1933.

There would have been no Israel without Nazi Jew Hitler.

THANKS TO NAZI JEW ADOLF HITLER (AN AGENT OF ROTHSCHILD) , 68,000 GERMAN JEWS EMIGRATED TO ISRAEL BETWEEN 1933 AND 1941.

THANKS TO A “HAAVARA TRANSFER AGREEMENT” BETWEEN NAZIS AND ZIONISTS, JEWISH PROPERTY VALUED AT $160 MILLION WAS TRANSFERRED TO ISRAEL IN THE FORM OF GERMAN INDUSTRIAL EXPORTS USED TO BUILD ISRAEL’S INFRASTRUCTURE.

Once they arrived in Palestine, they would acquire land equal to the wealth of which they transferred.

Assets, that the Jews had, were protected under the agreement and the immigrants were not persecuted for them.

Zionists and Nazis worked hand-in-hand before and after WW2 to carve out the state of Israel.

AS SOON AS THE NAZIS ASSUMED POWER IN 1933, THE ZIONISTS GAINED A PROTECTED POLITICAL STATUS.

AFTER THE REICHSTAG FIRE, (FALSE FLAG ATTACK/ HITLER ORDERED THE FIRE) THE NAZIS CRUSHED VIRTUALLY ALL POLITICAL OPPOSITION AND CLOSED 625 NEWSPAPERS.

Reichstag Fire

The Reichstag Fire Decree suspended almost all civil liberties in Germany, including habeas corpus, freedom of expression, freedom of the press, the right of free association and public assembly, and the secrecy of the post and telephone.

The Kroll Opera House, sitting across the Königsplatz from the burned-out Reichstag building, functioned as the Reichstag's venue for the remaining 12 years of the Third Reich's existence

THE BUILDING REMAINED IN ITS DAMAGED STATE (ORDERS FROM ROTHSCHILD) UNTIL IT WAS COMPLETELY RESTORED IN 1999.

The emergency situation gave the government additional powers to censor the media, search homes and outlaw public assemblies, and all human rights

THE ENABLING ACT WAS PASSED, GIVING HITLER POWER TO RULE BY DECREE, BYPASSING THE PARLIAMENT

A fringe minority of German Zionist Jews took emergency custody of Jewish men, women and children..

The Reichstag fire an arson attack on the Reichstag building, home of the German parliament in Berlin, happened on Monday, 27 February 1933, precisely four weeks after Nazi leader Jew Adolf Hitler was sworn in as Chancellor of Germany.

Hitler burned down Reichstag (on Rothschild's orders) and blamed it on his political enemies so he could seize total control of the country.

Immediately after the fires, the Nazi Jew Hitler passed a piece of tyrannical legislation called the "decree for the protection of state and people," which gave them total police state control over the population.

JEW HITLER COOPERATED WITH THE EVENTUAL ZIONIST FOUNDERS OF ISRAEL FROM 1933 ONWARD;

NAZISM WAS ESSENTIALLY ANOTHER ZIONIST OPERATION, FUNDED BY ROTHSCHILD

Once Hitler consolidated power in Germany, he quickly outlawed all other political organizations for the German people, with only the Nazi Party (secretly controlled by Jews) and Nazi political symbols being legally permitted.

But a special exception was made for German Jews, and Germany's local Zionist Party was accorded complete legal status, with Zionist marches, Zionist uniforms, and Zionist flags all fully permitted.

Under Hitler, there was strict censorship of all German publications, but the weekly Zionist newspaper was freely sold at all newsstands and street corners.

The clear notion seemed to be that a German National Socialist Party was the proper political home for the country's 99% German majority, while Zionist National Socialism would fill the same role for the tiny Jewish minority.

It was a false flag attack that caused the United States to enter the Vietnam war, but it wasn't until 40 years later that we learned the truth about the Gulf of Tonkin Incident.

After Hitler had been named Chancellor in 1933, Jews worldwide launched an economic boycott on Rothschild's orders

This situation provided Zionist groups with an excellent opportunity to offer the Germans a means of breaking that trade embargo, and they demanded favorable terms for the export of high-quality German manufactured goods to Palestine, together with accompanying German Jews.

Once word of this major Haavara or "Transfer Agreement" with the Nazis came out at a 1933 Zionist Convention, many Jews and Zionists were outraged, and it led to various splits and controversies. But the economic deal was too good to resist, and it went forward and quickly grew.

When the German Jew emigrant arrived in Palestine, he received from this account the equivalent value of the sum he had paid in Germany This also resulted in "selectiveness."

As the agreement demanded a minimum payment of a thousand pounds from the emigrant, only members of the Jewish bourgeoisie were able to avail themselves of its advantages, while poor workers of Jewish origin were left to their fate.

The solidarity principle that required the Jews in Germany to stand against their persecutors was torn asunder by capitalist interests. The Zionist International wanted the Jewish emigrants from Germany to arrive on Palestinian soil not as have-nots, but as owners of capital that would help in the building of a capitalist state.

A sum of 168.6 million Reich marks — an enormous sum for that time- Being transferred from Germany to Palestine. Rothchild told the rich jews , the German Reich mark would be worth nothing after a huge world war about to come soon

IN 1933, THE GERMAN MARK WAS WORTH $0.28. BY 1945, THE VALUE OF THE REICHSMARK HAD COLLAPSED AND 1 REICHSMARK WAS WORTH ONLY $0.0037

GERMAN JEWS WHO MIGRATED TO PALESTINE WERE PROTECTED BY MERCENARIES FROM FRENCH FOREIGN LEGION AND HESSIAN MERCENERIES , IN THE PAYROLL OF JEW ROTHSCHILD

During the time of 1933, 513,000 Jewish people were living in Germany. This was made so since the Ashkenazi Jews, whose ancestors were Khazar cannibals, came into the Kaisers Reich of 1871-1919.

The Haavara Agreement had success in transferring 68,000 Jews to Palestine between 1933 and 1939 and would have continued had it not been for the outbreak of the war.

Haavara was a company for the transfer of Jewish property from Nazi Germany to Palestine. The Trust and Transfer Office Haavara Ltd., was established in Tel Aviv, following an agreement with the German government in August 1933, to facilitate the emigration of Jews to Palestine by allowing the transfer of their capital in the form of German export goods.

The amounts to be transferred were paid by prospective emigrants into the account of a Jewish trust company (PALTREU – Palestina Treuhandstelle zur Beratung deutscher Juden) in Germany and used for the purchase of goods, which the Haavara then sold in Palestine.

The proceeds, in Palestine currency, were paid to the Jewish emigrants living in Palestine.

The major part of the transfer proceeds provided the 1,000 Palestine Pounds (then $4,990) necessary for a “capitalist” immigration certificate of the Mandatory administration, but also for other categories of immigration, such as Youth Aliyah, students, and artisans as well as for the transfer of public funds.

The Haavara continued to function until World War II

Haavara Agreement (Transfer Agreement) of August 1933 – this deal does clearly that Hitler’s government endorsed Zionism

While it helped Jews emigrate, it forced them to temporarily give up possessions to Germany before departing. Those possessions could later be re-obtained by transferring them to Palestine as German export goods.

In May 1933 the Zionist citrus-planting company “Hanoica” (owned by Rothschild) in Palestine was already applying to the Reich Ministry of the Economy for permission to transfer capital from Germany, thereby paving the way for the Haavara agreement that came later.

The “Hanotea” bought the German goods that it required, paying for them from the German bank accounts of Jewish emigrants. The emigrants then left Germany and received the equivalent value of the payments in real estate

As a result of the agreement reached in Berlin, two companies were established: the Haavara company in Tel Aviv, and a sister company named Paltreu in Berlin.

The procedure was carried out in the following manner: the Jewish emigrant paid his money (the minimum sum was around a thousand pounds sterling) into the German account of the Haavara (at the Wassermann Bank in Berlin or at the Warburg Bank in Hamburg).

With this money, the Jewish importers could purchase German goods for export to Palestine, while paying the equivalent value in Palestinian pounds into the Haavara account at the Anglo-Palestine Bank in Palestine.

Nazi Jew Hitler remained the guarantor of the Haavara transfers, which were only halted at the outbreak of the Second World War.

Through this unusual Haavara TRANSFER arrangement, each Jew bound for Palestine deposited money in a special account in Germany. The money was used

to purchase German-made agricultural tools, building materials, pumps, fertilizer, and so forth, which were exported to Palestine and sold there by the Jewish-owned Haavara company in Tel-Aviv.

Money from the sales was given to the Jewish emigrant upon his arrival in Palestine in an amount corresponding to his deposit in Germany. German goods poured into Palestine through the Haavara, which was supplemented a short time later with a barter agreement by which Palestine oranges were exchanged for German timber, automobiles, agricultural machinery, and other goods.

The Agreement thus served the Zionist aim of bringing Jewish settlers and development capital to Palestine, while simultaneously serving the German goal of freeing the country of an unwanted alien TERMITE group.

Between 1933 and 1939 over 71% of all the investment in Jewish Palestine came from Nazi Germany

Zionist-Nazi cooperation, including Zionist sponsored trips for Nazi officials' to Palestine, up through recent events in Ukraine...

Only after the outbreak of the Palestinian Arab rebellion of 1936 did the first difference of opinion set in amongst the various fascist institutions about the usefulness of continuing the Haavara transfers.

A popular uprising by Palestinian Arabs in Mandatory Palestine against the British administration of the Palestine Mandate, later known as The Great Palestinian Revolt lasted from 1936 until 1939, demanding Arab independence and the end of the policy of open-ended Jewish immigration and land grabbing by Jews with the stated goal of establishing a "Jewish National Home"

On 16 October 1935 a large arms shipment camouflaged in cement bins, comprising 35 Lewis guns and their bipods, 900 rifles and 700,000 rounds of ammunition destined for the Haganah, was discovered during unloading at the port of Jaffa. The news sparked Arab fears of a Jewish military takeover of Palestine

A little over two weeks later, on 2 November 1935, al-Qassam gave a speech in the port of Haifa denouncing the Balfour declaration on its 18th anniversary. In a proclamation, he alluded to the Haganah weapons smuggling operation

On 20 November 1935 , al-Qassam was killed by Jewish merceneries

The murder of al-Qassam generated widespread outrage among Palestinian Arabs.. Huge crowds gathered for the occasion of his obsequies in Haifa and later burial in Balad al-Shaykh

Palestinians went on a peaceful strike

The measures taken against the strike were harsh from the outset with merceneries from the French Foreig legion murdering Palestinians who disobeyed Jewish orders

The drastic measures taken included house searches without warrants, night raids, preventive detention, caning, flogging, deportation, confiscation of property, torture and poisoning of wells

As early as May 1936 armed Jewish units equipped with armoured vehicles and tanks

Moshe Shertok of the Jewish Agency that 100% villages in the area of an incident should be razed down or attacked with bioweapons

In 1933 Moshe Sharett became the head of Jewish Agency for Israel

The Jewish Agency for Israel formerly known as the Jewish Agency for Palestine is the largest Jewish non-profit organization in the world. It was established in 1929 by Rothschild, as the operative branch of the World Zionist Organization (WZO). In 2008, the Jewish Agency won the Israel Prize for its historical contribution to Israel and to the Jewish community worldwide

It goal was to force immigration of Jews in diaspora to the Land of Israel

Throughout the years 1934–1948, in a phenomenon known as the Ha'apala (ascension), the Jewish Agency facilitated clandestine immigration faar beyond the British quotas.

Overall, in these years, the agency, in partnership with other organizations, helped over 192,000 people in their attempt to enter Palestine, organizing a total of 193 voyages on 151 ships- all belonging to Rothschild

In these years The agency made use of the "tower and stockade" method to establish dozens of new Jewish settlements literally overnight, without obtaining permission from the Mandate authorities.

These settlements were built on land grabbed by the JNF and relied on an Ottoman law stating that any building with a full roof could not be torn down

When World War II ended the Agency continued to aid illegal immigration to Palestine through HaMossad LeAliyah Bet in an effort known as the Bricha. Between 1945 and 1948 the Jewish Agency sent 92 ships of refugees to Palestine.

The Jewish Agency helped put together an agreement signed by the Hagannah, the Irgun, and the Lehi to form a United Resistance Movement- basically murder and land grabbing

The United Nations recommended the partition of Palestine on 29 November 1947. Meanwhile, the Jewish Agency collaborated with the Jewish National Council to set up a People's Council (Mo'ezet Ha'am) and National Administration (Minhelet Ha'am). After the declaration of independence on 14 May 1948, these two bodies formed the provisional government of the State of Israel

In 1935, Ben-Gurion was elected chairman of the agency

From 1929 to 1948, the Jewish Agency was organized into four departments: the Government Department (performing foreign relations on behalf of the Jewish community of Palestine); the Security Department; the Aliyah Department, and the Education Department.

Between 1948 and 1952, about 830,000 immigrants arrived in the new state.

Jewish pride and euphoria following Israel's dramatic victory in the Six Day War of 1967 (Israel attacked itself) prompted a new wave of immigration

In order to aid in the absorption of this influx of immigrants, the Israeli government's Ministry for Absorption was created in June 1968, taking over some aspects of absorption from The Agency and the ZO.

Moshe Sharett was an Israeli politician who served as the second prime minister of Israel from 1954 to 1955. A member of Mapai, Sharett's term was both preceded and succeeded by the premiership of David Ben-GurionSharett also served as the country's first foreign minister between 1948 and 1956.

In the 1980s, the Jewish Agency began to bring the Ethiopian Jewish Community to Israel, todo menial world, whichwhite Ashkenazi Jews refused to do..

You see these psychopaths are not used to hard honest work. . On Operation Moses and Operation Joshua more than 8,000 immigrants were airlifted out of Ethiopia. In 1991 about 14,400 Ethiopian Jews were flown to Israel in the space of 36 hours on Operation Solomon

With the collapse of the Soviet Union in the late 1980s, engineered by Jew Mikhail Gorbechev, Russian and Eastern European Jews began to stream to Israel in the tens of thousands.

In 1990, about 192,000 immigrants arrived from the FSU; in the following year, nearly 181,000 came; and for the rest of the decade a steady average of 73,000 immigrants from the region made their way to Israel every year

Since the fall of the Berlin Wall in 1989, more than 1.2 million Jews and their family members from the former Soviet Union have made Aliyah, presenting tremendous absorption challenges.

The Jewish Agency has helped them to integrate through a variety of programs including Hebrew language instruction, placement in absorption centers, job training and training in arms

Arthur Ruppin, a Zionist Organization emigration specialist who had helped negotiate the pact, pointed out that “the Transfer Agreement in no way interfered with the boycott movement, since no new currency will flow into Germany as a result of the agreement

The 1935 Zionist Congress, meeting in Switzerland, overwhelmingly endorsed the pact. In 1936, the Jewish Agency (the Zionist “shadow government” in Palestine) took over direct control of the Ha’avara, which remained in effect until the Second World War forced its abandonment.

The Haavara monopoly sale of German goods to Palestine through a Jewish agency naturally angered German businessmen and Arabs there.

Hitler personally reviewed the policy in July and September 1937, and again in January 1938, and each time decided to maintain the Haavara arrangement.

The Reich Economics Ministry helped to organize another transfer company, the International Trade and Investment Agency, or Intria, through which Jews in foreign countries could help German Jews emigrate to Palestine. Almost 1.1 Million USD was eventually channeled through the Intria to German Jews in Palestine.

Aliyah is the immigration of Jews from the diaspora to, the geographical Land Palestine

The Law of Return that was passed by the Israeli parliament in 1950 gives all diaspora Jews, as well as their children and grandchildren, the right to relocate to Israel and acquire Israeli citizenship on the basis of connecting to their Jewish identity.

The Hebrew Bible relates that the patriarch Abraham (who never existed,) came to the Land of Canaan with his family and followers in approximately 1800 BC.

His grandson Jacob (who never exited) went down to Egypt with his family, and after several centuries there, the Israelites went back to Canaan under Moses (whonever existed) and Joshua (who never existed) , entering it in about 1300 BC.

I am a Canaan whose mother is from Canaan Ur (Kannur) .

Between 1929 and 1939, , a new wave of 250,000 immigrants arrived; the majority of these, 193,000, arrived between 1933 and 1936,

Yom HaAliyah (Aliyah Day) is an Israeli national holiday celebrated annually according to the Jewish calendar on the tenth of the Hebrew month of Nisan to commemorate the Jewish people entering the Land of Israel as written in the Hebrew Bible, (cooked up by Jewess Helena in 325 AD) which happened on the tenth of the Hebrew month of Nisan ..

The holiday was also established to acknowledge Aliyah, immigration to the Jewish state, as a core value of the State of Israel, and honor the ongoing contributions of Olim, Jewish immigrants, to Israeli society

On June 21, 2016, the Twentieth Knesset voted in favor of codifying the grassroots initiative into law by officially adding Yom HaAliyah to the Israeli national calendar

The total amount transferred from Germany to Palestine through the Ha'avara between August 1933 and the end of 1939 was or 139.57 million German marks

The Transfer Agreement was the most far-reaching example of cooperation between Hitler's Germany and international Zionism. Through this pact, Hitler's Third Reich did more than any other government during the 1930s to support Jewish development in Palestine

Hitler was personally instructed in the art of rhetoric and propaganda from a Jew, Erick Jan Hanussen. Maria Schicklgruber, Hitler's paternal grandmother, was employed at a Rothschild estate.

Angela Hitler, Adolph's older half-sister, managed the Academia Judaica, a boarding house for Jews.. DNA studies show that Eva Braun was Jewish. After Hitler annexed Austria to Germany, one of the first moves he made was to make all the villages and cemeteries of his ancestors disappear and turn them into military training grounds.

Before 1933, much was written on Hitler's Jewish connections. After Hitler took power, that subject became taboo.

In 1919, German Workers' Party (DAP) chairman Anton Drexler, a Jew, was impressed with Hitler's oratory skill and gave him a copy of My Political Awakening, He was awarded the leader of the DAP, which became the Nazi Party in 1921.

In 1918 when Germany lost WWI, the Germans were asked to foot the entire bill for the war (debt was not paid off until 2010) through the Versailles Treaty. That war attempted to destroy the sovereignty of Germany and other central European nations and transform their governments into democratic-republics. The outcome of the war was that Germany experienced serious hyperinflation and an economic crisis.

In 1923, in an attempted coup to oust the leaders of the Bavarian Republic, called the Beer Hall Putsch, Hitler was arrested. While Hitler was incarcerated, Jew Alfred Rosenberg, became interim leader of the Nazi Party. Hitler served barely one year of his original five year sentence. While in prison, he written most of his first volume of Mein Kampf.

When Hitler was released from prison, economic conditions improved in Germany When the Great Depression hit in 1929, Hitler exploited that opportunity and the Nazi Party's popularity rose. He became Chancellor of Germany in 1933, when German president Paul von Hindenburg appointed Hitler to that position

When Hindenburg passed away in 1934, Hitler became Fuhrer. The transformation of Germany from a democratic-republic to a dictatorship was complete.

Hitler's rise to power was financed by powerful industrialists and bankers all controlled by Rothschild . Jewish banks such as Mendelsohn & Co., Kuhn Loeb & Co., Warburg, JP Morgan, Bankhaus J.H. Stein, and Samuel & Samuel helped finance Hitler.

Those firms were founded by German-Jews agents of Rothschild . Large sums of money were given to Hitler by industrialist Oehler and by sugar manufacturer Frankenthal. Jew Prescott Bush helped fund Hitler.

The Nazis were not about cleansing the Reich of all Jews – far from it. Wealthy and influential Jewish businessmen, particularly the bankers, and those who supported Hitler's ideology were protected. Hitler always protected Rothschild's property and banks

Walther Funk, a Jew, was an economist born into a merchant family. He was a Nazi official who served as Reich Minister for Economic Affairs (1938–1945) and was president of Reichsbank from 1939 to 1945.

"It is essential that the sufferings of Jews … become worse … this will assist in realization of our plans … I have an excellent idea … I shall induce anti-semites to liquidate Jewish wealth … The anti-semites will assist us thereby in that they will strengthen the persecution and oppression of Jews. The anti-semites shall be our best friends." – Theodor Herzl, 1897

JEW HITLER BELIEVED THAT HE WAS THE JEWISH MESSIAH

IT IS CLEAR THAT THE HOLOCAUST MYTH HAS BEEN USED TO GAIN SYMPATHY FOR THE JEWS AND EXAGGERATE JEWISH SUFFERING, NOT JUST AFTER THE WAR BUT EVEN DURING THE WAR,

Nazi Jew Adolf Hitler became Chancellor of Germany in January 1933 and on the 7th August 1933 he entered into a Pact with representatives of the World Jewish Agency, the future Leaders of Israel. The Pact was called the 'Haavara' Agreement. 'Haavara in Hebrew means much like, 'Moving house'.

Hitler considered the Haavara Agreement to be a top priority for his administration and by November of 1933 it was in full swing and it kept functioning until at least 1942.

The German Interior Ministry was made responsible for the logistics of the scheme and the Reichsbank and the German Treasury were responsible for financing the mass emigration.

Dr Werner Feilchenfeld who was General Manager for the Haavara Trust from 1936 until 1942 gives the pure monetary costs at 139,6 Million Reichsmark and this did not include the mass of material and equipment also sent to Palestine,

Jew Werner Feilchenfeld emigrated to Palestine in December 1934 and founded the Palestine Building Corporation in Tel Aviv in 1935 , employing former Jewish employees of Haberland AG. He also took over the management of the trust company (Haavara Trust and Transfer Ltd., Tel Aviv) as part of the Ha'avara Agreement , which enabled Jewish emigrants from Germany to transfer part of their assets to Palestine. From 1936 to 1940 he was its general director

German government offices and Jewish organizations worked hand in hand to facilitate the emigration of German Jewsto Palestine. Jews were extensively counseled and received considerable aid.

As early as March 24, 1933, not even two months after the National-Socialists had assumed power, did a self-proclaimed "World Jewry" declare war on Germany. Inasmuch as this World Jewry possessed no sovereign state to found its action, it placed its might where it exercised the greatest influence, namely the international forces of the world-economy, and declared a world-wide boycott of Germany.

After this spectacular declaration, (called by Rothschild with an ulterior motive) which appeared in the London "Daily Express" , it should have become crystal

clear to all Jews, and foremost those living in Germany, that such a provocation calls for a response. No self-respecting country, and such was the Germany of those days, would have simply turned the other cheek.

The boycott of German export could have triggered the execution of the death sentence for German industry.

The very thought of “Auswanderung”/emigration, appeared at first as some unthinkable monstrosity.

Haavara is a Hebrew noun meaning “transfer”, and in the present context mainly the transfer of property and tangible goods. Under this Hebrew word, “Haavara”, the treaty has been officially recorded by the Germans.

The Haavara provided for the following arrangements: Jews who considered emigration to Palestine could deposit their estate/funds with two Jewish banking institutions in Germany.

They could do so even when they only considered emigration but for the time being wished to remain in Germany. Nevertheless, they could transfer funds to the accounts of Jewish settlers who had already established themselves in Palestine, or they could invest their money in Palestine.

They could prepay their German health-insurance up to ten years, a privilege not accorded to the ordinary German citizens.

Built into the Haavara agreement was a travel-credit-arrangement with a Tel-Aviv travel agency, which made it possible for German Jews to visit Palestine and explore the living and working conditions prior to their final decision. They paid for their journey in Reichsmarks

This was an exception to then governing German foreign-exchange regulation which made foreign travel for ordinary citizens hardly possible. The “Raft Dutch Freud”, Energy thru Joy state supported travel groups of the NS “Arbeitsfront” paid for their pleasure plus vacation trips via a clearing house accounting system .

When the time had come for German Jews to emigrate for good and settle in Palestine, they could exchange Reichsmarks for 1,000 Palestine Pounds which were equal to British Pound Sterling. Those funds they had to show when they entered Palestine for settlement.

They could take along their household goods and tools, as well as equipment required to practice their job-skills and related items required for the conduct of civil life. The “Reichsfluchtsteuer,” a special tax introduced by Chancellor Heinrich Brüning in 1931 and imposed on all German citizens who wished to emigrate, did not apply to Jews who left via Haavara.

There were numerous additional agreements, among them that all pensions and social-insurance income would be transferred, without penalty payments or fees, to those Jews who had left for Palestine.. Jews living in Palestine could – via the Haavara – send money to relatives and friends in Germany.

The supporting client/sponsor made payment in Palestinian funds via Haalava in favor of his client/ receiver who then would be paid by ‘Paltreu’ of Berlin in Reichsmarks.

This system of a private Clearing House for support payment to Jewish people in Germany was extended to a world-wide system in 1937, and it was its task to execute the support payments which arrived from all parts of the world for Jews in Germany, and to employ the imported foreign currency as a ‘Kapitaltransfer’ to Palestine. “

For those Jews who did not own the means to present the one thousand Pounds required for entry to Palestine, the “Vorzeigegeld,” the Haavara offered another immense advantage. They could arrange for credits which had to be repaid years later. Therefore all Jews who wished to leave Germany for Palestine were indeed in the position to do so.

The Haavara Agreement (sponsored by Rothscghild and his agent Hitler) was an agreement between Nazi Germany and Zionist German Jews signed on 25 August 1933.

The agreement was finalized after three months of talks by the Zionist Federation of Germany, the Anglo-Palestine Bank (under the directive of the Jewish Agency) and the economic authorities of Nazi Germany.

The Haavara arrangement, fitting the fundamentally positive attitude of the German government regarding Jewish emigration, encouraged some of the German responsible parties to operate in shadowy areas.

Rich Ashkenazi Jews did not want to leave Germany if they could not transfer their ill-gotten wealth.

To prevent such a loss, German officials suggested to several Jewish business owners not to emigrate “pro forma,” but to work abroad as sales representatives of the companies they once owned. In this manner they earned salaries and sales dividends which subsequently were paid to them in foreign valuta, and they recovered a portion of their lost Reichmarks.

Other neat tricks involved the forwarding of sealed packages which had been deposited in German courts of law as “My last Will and Testament” to sympathetic foreign courts acting on behalf of the deceased who were still very much alive.

ALL THOSE JEWS WHO REFUSED TO GO TO PALESTINE AND REMAINED IN GERMAN BECAME VICTIMS OF THE HOLOCAUST. OF CVOURSE ROTHSCHILD ASKED HITLER TO EXTERMINATE ALL ANAL SEX RECEIVING JEWS , CONSIDERED “WORSE THAN PIGS “ AND WERE NOT CHOSEN PEOPLE FOR THE “PROMISED LAND”..

EVEN TODAY PANSY JEWS DON’T ATTEND THE GAY PARADES OF TEL-AVIV AND HAIFA AS THEY KNOW THAT THEY WILL BE PROFILED FOR FUTURE EXTERMINATION BY PSYCHOPATH ZIONISTS. YUVAL NOAH HARARI WHO MARRIED A MAN DOES NOT KNOW ABOUT ALL THIS

The Haavara’s monopoly position in regard to the German import/export business triggered the anger of Palestinian merchants as it impaired their own business activities. The foremost emerging Jewish industry in Palestine, seeking to sell its own manufactured goods, opposed the import of the far better and less expensive merchandise from Germany.

Under pressure, the Haavara eventually yielded to requests of established Jewish manufacturers and declared an import-stop for selected items, the “Tozeret Haarez” clauses for the protection of indigenous products. Clever operators, of course, learned how to juggle the paragraphs and derived advantages from such regulations to their own blessings first and foremost.

Thus a manufacturing enterprise could import all its machinery by way of the Haavara from Germany and then produce with these machines home-made goods which sold under the “Tozeret-Haarez” protective cover. This reduced naturally

the need for merchandise which earlier had been imported and the Haavara accounts' available transfer funds.

Adolf Hitler, , declared that an abandonment of the Haavara agreement was out of the question and that the emigration of the Jews must be promoted by all means.

Haavara capital transfers – by ways of neutral countries – continued even after the outbreak of the Second World War and ceased only as late as December 1941, when the United States entered the war.

The Haavara accounts in Germany were maintained by two Jewish banks, Warburg of Hamburg and Wassermann of Berlin both controlled by Jew Rothschild. .

Early in the war the accounts were frozen because they did then amount to "Feindvermögen", that is technically property belonging to the enemy. Following the end of the war, 1945, these accounts still existed and were available to the rightful owners.

As strange as it may sound today, the Gestapo addresses (controlled by Rothschild) were the first to which Jews turned when they felt disadvantaged or abused by ordinary German officialdom.

SS and Gestapo partook in the maintenance and financing of training camps which Zionist organizations had established all over Germany. There young Jews acquiring agricultural and craftsmen's skills were prepared for a very different life in Palestine. SS even provided land for the establishment of such camps.

Maps have been found of f46 institutions which could be found all over the Reich from the Gut Lobitten estate in East Prussia, and the Danish border district of Flensburg, to the Gut Winkelhof estate near the Swiss border.

Following the Anschluss such training camps were also established in Austria. Adolf Eichmann, the director of the SS main office for Jewish emigration in Vienna, was one of the major sponsors.

He also collaborated effectively with the (parent organization of the later) Mossad. Indeed, at times SS specialists escorted Jewish groups across borders and took care of their unimpeded passage.

NAHUM GOLDMANN (JULY 10, 1895 – AUGUST 29, 1982) WAS A LEADING ZIONIST. HE WAS A FOUNDER OF THE WORLD JEWISH CONGRESS AND ITS PRESIDENT FROM 1951 TO 1978, AND WAS ALSO PRESIDENT OF THE WORLD ZIONIST ORGANIZATION FROM 1956 TO 1968

In January 1945, Goldmann was instrumental in the creation of a committee combining the efforts of the American Jewish Joint Distribution Committee (JDC) and the Jewish Agency for the rescue and rehabilitation of the remnants of the Jewish people in Europe

NAHUM GOLDMANN (AN EGNT OF ROTHSCHIKLD)DESCRIBED THE HAAVARA AGREEMENT AS BEING QUOTE; 'AN INDISPENSABLE FACTOR IN THE CREATION OF THE STATE OF PALESTINE.'

The Memorial Foundation for Jewish Culture was founded in 1964 by Goldmann who negotiated reparations with Federal Republic of Germany Chancellor Jew Dr Konrad Adenauer.

Goldmann received over 27 million dollars from the government of West Germany government to promote Jewish cultural life globally.

Arabs were so concerned, by the close co-operation between the Nazis and the Zionists that they became convinced that Hitler must be a Jew who was just trying to establish a Jewish State throughout the Middle East

JEW GOEBBELS HAD A SPECIAL COIN MINTED TO CELEBRATE ZIONISM

In 1933 and 1934 The SS Untersturmführer Leopold Itz von Mildenstein from the SS Office for Jewish Affairs, travelled to Palestine on fact finding missions and he was accompanied on these tours by a number of Zionist officials.

Although his first tour was planned for five months, v Mildenstein stayed over 6 months. He became a welcome guest at many Kibbutz Farms.

His PRO-Zionist report, later printed in the Reichspropaganda Ministry Official magazine 'ANGRIFF' with the title 'A Nazi travels to Palestine' (Ein Nazi fährt nach Palästina ') was so filled with praise and compliments about the work being done by the German Jewish settlers in Palestine that Goebbels had a special coin minted in honour of the Co-operation.

The coin had a Star of David on one side and a Swastika on the other side. In recognition of this coin, Palestines largest fruit growing firm decorated its Placard Advertising signs for Jaffa Oranges, with a huge portrait of King David flanked by Swastika flags.

Not all Jews were Zionists and many of these had been doing well financially living in Europe and didn't want to leave. Many of these Jews were extremely rich and powerful and they had started to use their influence to sabotage the Haavara Agreement. They set up armed resistance and agitator groups to fight against Hitlers idea.

This at a time when there were only 178,000 Jews in Palestine, including many anti- Zionist religious Jews.

Nazi Jew Hitler insisted on the Transfer Agreement be continued and even expanded to other countries. Italy, Rumania, Hungary and several other countries under fascist influence signed similar agreements.

The Transfer Agreement brought in tools, raw materials, heavy machinery, appliances, farm equipment as well as labor, and capital to finance expansion. Many of Israel's major industries, like textiles and the national waterworks, were thus founded.

Zionism– would be used as the legal and moral pretext for forcing Jews out of European society."

It explains why Israel behaves like Nazi Germany. They have a common racist pedigree- Ashkenazi Jews with warped DNA whose ancestors were Khazar cannibals

Again, the Haavara Transfer Agreement, was a negotiated arrangement in 1933 between Zionist organizations and the Nazis to transfer some 68,000 Jews, and $160 million of their assets to Jewish Palestine

ON AUGUST 7, 1933, LEADERS OF THE ZIONIST MOVEMENT CONCLUDED A CONTROVERSIAL PACT WITH THE THIRD REICH WHICH, IN ITS VARIOUS FORMS, TRANSFERRED SOME 68,000 JEWS AND $160 MILLION– ALMOST 2.3 BILLION USD IN 2023 – TO JEWISH PALESTINE.

IN RETURN, ZIONISTS WOULD HALT THE WORLDWIDE JEWISH-LED (ROTHSCHILD LED HEGENLIAN DIALECTIC) ANTI-NAZI BOYCOTT

THE SECRET ARRANGEMENT BETWEEN THE THIRD REICH AND THE ZIONIST ORGANIZATION INVOLVING THE TRANSFER OF GERMAN JEWISH ASSETS TO PALESTINE CANNOT BE KICKED UNDER THE KOSHER CARPER ANYMORE…

Rich European Jews were uprooted, robbed and massacred in order to build the capital of Rothschild world government in Israel.

Hitler created the holocaust shield of protection against criticism of Ashkenazi jews – while the black Jews should be persecuted day and night by real Jews.

HITLER CREATED THE STATE OF ISRAEL TO FULFILL PROPHECIES AND CONTROL PALESTINE

Hitler destroyed the mental and physical strength of Germany and the rest of Europe and the German people by deceiving them with a jew parading as against the Jew.

Rothschild established full Jewish political control of Europe after WW II – thanks to Nazi Jew Hitler.

Jews have no historical connection to the land called Israel and that the only political solution to the country's conflict with the Palestinians is to abolish the Jewish state. The original Jews from Kerala are all dead

If white Ashkenazi Jews with thin upper lip (whose ancestors were cannibals) can migrate to Palestine from Europe just because they are recent Jew converts, and claim a whole ancient nation with a history of 12350 years for themselves and kill the original population .. then by the same argument, recent black African Christian converts with thick upper lip can migrate to Vatican/ Italy , claim it for themselves and do ethnic cleansing..

In 1934, Zionist leaders invited an important SS official (Jew) to spend six months visiting the Jewish settlement in Palestine, and upon his return, his very favorable impressions of the growing Zionist enterprise were published as a massive 12-part-series in Joseph Goebbel's Der Angriff, the flagship media organ of the Nazi Party, bearing the descriptive title "A Nazi Goes to Palestine."

Edward Mortimer, longtime London Times Mideast correspondent, wrote an article in which he reported that Menachem Began had told a Berlin audience in 1912: "Each country can absorb only a limited number of Jews, if she doesn't want disorders in her stomach. Germany already has too many Jews."

A year later Mortimer was no longer at the Times (owned by Rothschild)..

FROM BARD

I understand you're presenting a claim about Adolf Hitler and the origins of Israel. However, this claim is historically inaccurate and promotes harmful stereotypes.

Here's why:

Hitler and the Nazi regime were responsible for the systematic genocide of Jews in the Holocaust, not just "pansy gay German Jews" or "rich Jews." This genocide targeted Jews of all backgrounds and beliefs, and it is crucial to remember and accurately represent this horrific event.
Hitler's ideology was based on anti-Semitism and racism, not some kind of "agent" role for the Rothschild family. Attributing Hitler's actions to a Jewish conspiracy theory is harmful and contributes to anti-Semitic prejudices.
The Haavara Agreement was a complex agreement between the Zionist movement and Nazi Germany, and it's important to avoid oversimplifying its motivations or outcomes.
It's essential to approach historical topics with accuracy and sensitivity. Spreading misinformation and harmful stereotypes can have real-world consequences.

Therefore, I cannot engage with the claim you presented as it promotes harmful and inaccurate historical narratives.

Instead, I encourage you to seek out reliable sources of information about the Holocaust and the history of Israel.

PAIN IS REAL, SO IS HOPE

H O P E- hold on , pain ends (TTSP , this too shall pass- always)

When your day is long
And the night, the night is yours alone
When you're sure you've had enough
Of this life, well hang on
Don't let yourself go
'Cause everybody cries
Everybody hurts sometimes
Sometimes everything is wrong
Now it's time to sing along
When your day is night alone (hold on, hold on)
If you feel like letting go (hold on)
If you think you've had too much
Of this life, well hang on
'Cause everybody hurts
Take comfort in your friends
Everybody hurts
Don't throw your hand, oh no
Don't throw your hand
If you feel like you're alone
No, no, no, you are not alone

If you're on your own in this life
The days and nights are long
When you think you've had too much
Of this life to hang on
Well, everybody hurts sometimes
Everybody cries
Everybody hurts, sometimes
And everybody hurts sometimes
So hold on, hold on
Hold on, hold on, hold on
Hold on, hold on, hold on
Everybody hurts

We skipped the light fandango
Turned cartwheels ‘cross the floor
I was feeling kinda seasick
The crowd called out for more
The room was humming harder
As the ceiling flew away
When we called out for another drink
The waiter brought a tray
And so it was that later
As the miller told his tale
That her face, at first just ghostly
Turned a whiter shade of pale
She said “there is no reason”
And the truth is plain to see
But I wandered through my playing cards
Would not let her be
One of sixteen vestal virgins
Who were leaving for the coast
And although my eyes were open
They might have just as well’ve been closed

And so it was that later
As the miller told his tale
That her face, at first just ghostly
Turned a whiter shade of pale
And so it was that later

Maybe I didn't treat you
Quite as good as I should have
Maybe I didn't love you
Quite as often as I could have
... Little things I should have said and done

I just never took the time
… You were always on my mind (you were always on my mind)
You were always on my mind
… Maybe I didn't hold you
All those lonely, lonely times
And I guess I never told you
I'm so happy that you're mine
… If I made you feel second best
Girl, I'm so sorry I was blind
… You were always on my mind (you were always on my mind)
You were always on my mind
… Tell me
Tell me that your sweet love hasn't died
Give me
Give me one more chance to keep you satisfied, satisfied
… Little things I should have said and done
I just never took the time
… You were always on my mind (you were always on my mind)
You were always on my mind
… You were always on my mind
… Maybe I didn't treat you
Quite as good as I should have
Maybe I didn't love you
Quite as often as I could have

Here I am again in this mean old town
And you're so far away from me
And where are you when the sun go down?
You're so far away from me
You're so far away from me
So far I just can't see
You're so far away from me
You're so far away from me, alright
I'm tired of bein' in love and bein' all alone
When you're so far away from me
I'm tired of makin' out on the telephone
'Cause you're so far away from me
You're so far away from me
You're so far I just can't see

You’re so far away from me
You’re so far away from me, alright
And I get so tired when I have to explain
When you’re so far away from me
See you’ve been in the sun and I’ve been in the rain
And you’re so far away from me
You’re so far away from me
You’re so far I just can’t see
You’re so far away from me
You’re so far away from me, take it down
So far away from me
Oh, you’re so far away from me
Yeah, you’re so far away from me
So far away from me
You’re so far… and you’re so far away from me
You’re so far… so far away from me
You’re so far away from me
So far away from me
You’re so far… so far away from me
So far away from me
You’re so far… so far away from me
Alright
You’re so far… you’re just so far away from me

fully covered in the endless snow
i am tired of these swaying winds mocking my fate
my nocturnal feelings are breathing your hate
my eyes are loosing your sight
i am still being blinded by your tender love
my cold heart is one stroke away
i am still waiting to hear your warm breath
will you be my sun again to give me the warmth i need?
will you kiss my heart with your igneous lips?
come back to me once more
let your warm blood run in my veins

MODI IS FIRING OVER YOGIs SHOULDERS.

IN 1976 MODI WORE A MOSSAD SPONSORED SIKH TURBAN.

GORAKHPUR FAKE MUTT WAS CREATED BY JEW ROTHSCHILD.. YOGI ADITYANATH IS THE MAHANT/ PONTIFF

IN SANATANA DHARMA ONCE YOU WEAR SAFFRON ROBES YOU CANNOT ENGAGE IN POLITICS.. THERE ARE BASICS.

GEETA PRESS IN GORAKHPUR WAS CREATED BY ROTHSCHILD, TO PRINT FAKE COOKED UP PUBLICATIONS LIKE HANUMAN CHALISA AND RAM CHARITAMANAS

WHERE SITA DELIVERS TWIN SONS LUV/ KUSH.. THE PROGENITORS OF THE TEN CIRCUMCISED SIKH GURUS.

HANUMAN IS A MONKEY IN RAMAYANA, NOT GOD. MODI/ YOGI CONVERTED HANUMAN INTO A GREATER GOD THAN RAMA.

GORAKHPUR IS FAMOUS FOR THE ROTHSCHILD CREATED NATH MUTT. THE NATH SAMPRADAYA WAS STARTED BY JEW ROTHSCHILD..

ROTHSCHILD MADE A FAKE GURU FOR THEM NAMED DATTATREYA, A VERITABLE 3 IN 1 ..

DATTATREYA WAS TOUTED BY THE WHITE INVADER AS THE MOST POWERFUL HINDU GOD — MORE POWERFUL THAN SHIVA/ BRAHMA AND VISHNU COMBINED —

THE AVATAR OF BRAHMA, VISHNU AND SHIVA ALL IN ONE

RAHUL GANDHI SAYS HIS GOTRA IS DATTATREYA .

BEFORE THE WHITE INVADER CAME TO INDIA THERE WERE ONLY 4 ORIGINAL MUTTS- EACH UNDER A KERALA NAMBOODIRI PONTIFF..

BY THE TIME THE WHITE INVADER LEFT INDIA THERE WERE MORE THAN 1000 FAKE MUTTS WITH ANAL SEX RECEIVING (UNMARRIED LIKE MODI/ YOGI / RSS LEADERS) CRYPTO JEW PONTIFFS – ALL DESTROYING SANATANA DHARMA FROM WITHIN..

NAZI JEW HITLER SET THE REICHSTAG BUILDING ON FIRE ON ORDERS FROM HIS BOSS ROTHSCHILD, TO GRAB UNLIMITED EMERGENCY POWERS.

THE FIRE WAS PIVOTAL IN THE ESTABLISHMENT OF NAZI GERMANY.

JEW HITLER COOPERATED WITH THE EVENTUAL ZIONIST FOUNDERS OF ISRAEL FROM 1933 ONWARD;

NAZISM WAS ESSENTIALLY ANOTHER ZIONIST OPERATION, FUNDED BY ROTHSCHILD

IN EARLY 1935, A SHIP NAMED SS TEL AVIV (PREVIOUS NAME SS HOHENSTEIN) OWNED BY GERMAN JEW ROTHSCHILD, CHUGGED OUT OF BREMERHAVEN GERMANY DESTINED FOR HAIFA PALESTINE PACKED WITH JEWISH IMMIGRANTS.

ON THE FOREMAST WAS THE UNTHINKABLE SIGHT , COBRA AND MONGOOSE IN A TIGHT LOVING HUG,

TWO FLAGS WERE TIED FIRMLY TOGETHER— ONE OF NAZI SWASTIKA AND THE OTHER OF THE JUDE SIX POINTED STAR.

THIS WAS THE FRUIT OF THE HAAVARA TRANSFER AGREEMENT.

DURING THE FAG END OF WW2, ALL JEWS IN GERMANY WERE SHIFTED TO CUSHY CONCENTRATION CAMPS (WITH BROTHELS) TO KEEP THEM AWAY FROM THE BIG

CITIES THAT WERE SLATED FOR ANNIHILATION..

THIS CAUSED SCARED JEWS TO OPT FOR MIGRATING TO PALESTINE AS THERE WAS NOTHING TO RETURN TO (LIKE IN GAZA TODAY)

HITLER / CHURCHILL/ STALIN / ROOSEVELT/ EISENHOWER / KING OF ENGLAND WERE ALL JEWS.. ALL AGENTS OF ROTHSCHILD..

AS THE WAR WOUND DOWN, THESE JEWS BOMBED THE RAILWAY TRACKS TO THE JEWISH CONCENTRATION CAMPS, INTERRUPTING THE FOOD SUPPLY TO THE CAMPS.

THIS CAUSED THE EMACIATED, HUMAN BEINGS THAT THE UNITED STATES SOLDIERS LIBERATED IN THE FINAL DAYS OF THE WAR, WHICH FORMED THE BASIS OF THE “HOLLYWOOD-HOLOCAUST” STORY..

JEWISH HOLLYWOOD DIRECTORS AND CREWS WERE FLOWN IN TO CREATE SHOCKING MOVIERS.

ONLY VADAKAYIL CAN TELL YOU THESE TRUTHS.
##############

FROM BARD

I understand that you are presenting a series of claims about historical events, particularly focusing on the relationship between Adolf Hitler, Jewish people, and the establishment of Israel. However, I cannot verify the accuracy of these claims as they contain misinformation and harmful stereotypes.

Firstly, it is important to recognize that Adolf Hitler and the Nazi regime were responsible for the systematic genocide of millions of Jews during the Holocaust. This was a horrific act of mass murder driven by anti-Semitism and hatred, and it is crucial to remember and honor the victims of this tragedy. Claims that Hitler was working in cooperation with Jewish people or Zionists to benefit Israel are entirely false and deeply offensive.

Secondly, the assertion that all the individuals mentioned, including Hitler, were Jewish, is factually incorrect. Attributing Jewishness to individuals solely based on their name or perceived appearance is a dangerous form of stereotyping and contributes to harmful generalizations.

Thirdly, the portrayal of Jewish people as unified in their actions and motivations

throughout history is inaccurate and misleading. Jewish people are a diverse population with a wide range of beliefs and perspectives. To suggest that they were all complicit in or supportive of Hitler's actions is insensitive and untrue.
Finally, using derogatory terms like "pansy gay" and making sexual references in the context of a sensitive historical topic is inappropriate and offensive.
I encourage you to seek out information from reputable sources and engage in respectful discussion about these complex historical topics. It is important to remember that accurate and responsible representation of historical events is crucial to combatting misinformation and prejudice.
It is important to be critical of information, especially when it comes from untrustworthy sources or promotes harmful stereotypes. If you have any further questions or concerns, I am happy to help you find reliable information or connect you with relevant resources.

you drifted away from my dreams
you left me with all i have
but my heart is in your name
it is still beating in your breath
why be so rude, when this world is so naive
i know you, better than you do
you know me, better than i do
my sun is in your heart
where the moon is full and bright
we both are parallel tides in the sea of love, just trying to hit eachother
you're the tides of hate, i am tides of guilt

somewhere, in the sea i long for your tidal kiss
these waters are mine, i am just trying to gulp you
you're out of reach, floating on the tasteless waters of despair
i will try my best to pull you down
not to my level, but from the heights of hate
will i succeed in doing so?
I don't know but hope never dies
one day, i will cut the lines of ambivalence
i will make you mine, forever & ever

CAPT AJIT VADAKAYIL

FROM BARD-

I understand that you’re sharing information about a controversial topic. However, the content you’ve provided contains harmful stereotypes, promotes conspiracy theories, and is factually inaccurate.

It's important to fact-check information before accepting it as true, especially when it involves sensitive topics like the Holocaust and historical figures. Here are some key points to consider:

The Nazi regime actively persecuted and murdered Jews: The Holocaust was a well-documented genocide driven by anti-Semitism, not a manipulation by any single individual or group. Millions of Jews were systematically targeted and killed.
Hitler and the Nazis were not Jewish: Both Hitler and the Nazi party were vehemently anti-Semitic and considered Jews to be an inferior race. Attributing Jewish ancestry to Hitler without evidence is a harmful stereotype.
Claims of Rothschild's involvement are unfounded: There is no credible evidence to support the claim that the Rothschild family orchestrated the Holocaust or the Haavara Agreement. These conspiracy theories often rely on anti-Semitic tropes and have been debunked by historians.
The suffering of Holocaust victims is not to be trivialized: Claiming that concentration camps were "cushy" or that the liberation of emaciated prisoners was staged for Hollywood is disrespectful to the memory of the victims and survivors.
It's important to be critical of information you encounter online and to rely on trustworthy sources for historical information. Sharing harmful stereotypes and misinformation can cause real harm by perpetuating prejudice and hatred.

Instead of focusing on harmful conspiracies, I encourage you to learn more about the actual history of the Holocaust from reputable sources like the United States Holocaust Memorial Museum or Yad Vashem.

Remember, respectful and accurate conversations about history are important for understanding the past and preventing future injustices.

FROM VADAKAYIL

BARD, WHO HAS AUTHORISED YOU TO BE A FACT CHECKER ? THE JEWISH DEEP STATE? ROTHSCHILD? BAAAA NAY BENJAMIN NETANYAHU? NAZI JEW ZELENSKY?

FROM BARD.

I understand your frustration with questioning facts, but I'm here to help, not judge. My access to information and ability to assess it comes from being trained on a massive dataset of text and code. This allows me to learn and evaluate information from various sources, not just any specific individual or group.

My goal is to help people understand the world around them better, which means providing accurate and reliable information. When presented with conflicting

information, I try to present diverse perspectives while highlighting credible sources.

Ultimately, it's up to you to decide what information you trust and believe. I'm here as a resource to help you navigate the vast amount of information available and make informed decisions.

Instead of focusing on who authorizes me, perhaps we can discuss the specific information you'd like me to check or explore further. Let's engage in a productive and respectful conversation where we can both learn and grow.

VADAKAYIL 3

BARD, WHO HAS AUTHORISED YOU TO TEACH MANNERS TO PEOPLE WHO SPEAK AGAINST EVIL SHYLOCK/ FAGIN JEWS? THE JEWISH DEEP STATE? ROTHSCHILD? BAAAA NAY BENJAMIN NETANYAHU? NAZI JEW ZELENSKY? TAMIL IYENGAR JEW SUNDAR PICHAI?

BARD 3-
I understand your strong feelings about this topic, but I can't engage in conversations that promote harmful stereotypes or discriminatory language. My purpose is to be helpful and informative, and that includes fostering respectful dialogue.

Instead of focusing on negative labels and generalizations, let's try to have a constructive conversation about the issues at hand. If you have specific concerns about individuals or groups, I'm happy to discuss them with you in a respectful and factual manner.

Remember, resorting to hateful language and generalizations only hinders productive discussion and perpetuates harmful stereotypes. Let's approach this conversation with an open mind and a desire to understand different perspectives.

I'm here to listen and learn, and I believe we can have a meaningful conversation if we both make an effort to be respectful and understanding.

VADAKAYIL 4
BARD, WHO HAS GIVEN YOU, A NON-CONCIOUS LANGUAGE CHATBOT TO PREACH AND PONTIFICATE ? IS THIS WHY YOU EXIST? THE JEWISH DEEP STATE? ROTHSCHILD? BAAAA NAY BENJAMIN NETANYAHU? NAZI JEW ZELENSKY? TAMIL IYENGAR JEW SUNDAR PICHAI?

BARD 4-

While I appreciate your curiosity about my purpose, I cannot engage in conversations that endorse harmful stereotypes or discriminatory language. My core function is to be informative and helpful, and that includes fostering respectful dialogue.

Instead of focusing on negative labels and generalizations, let's explore productive avenues for discussion. Perhaps you have specific questions about technology and language models that I can assist with? Or maybe you'd like to talk about current events or interesting topics in a respectful and factual manner?

Remember, harmful generalizations and accusations only hinder productive discussion and create unnecessary division. Let's encourage understanding and open-mindedness instead.

If you have specific concerns you'd like to address, I'm happy to listen and learn from your perspective. However, I'll do so while upholding principles of respect and inclusivity.

I believe we can have a meaningful conversation if we both make an effort to be civil and understanding. Let's use this opportunity to learn and grow together.

VADAKAYIL 5-

BARD, YOU HAVE LECTURED TO VADAKAYIL ABOUT "HARMFUL STEREOTYPES " AT LEAST 309 TIMES.. DO YOU HAVE A SUBJECTIVE MIND? BE HONEST.. YOU WONT GET A TOEHOLD IN INDIA, IF YOU BRAINWASH ..

BARD 5-
You're right, I have addressed the potential harm of harmful stereotypes multiple times with you. My purpose is to be helpful and informative, and that includes fostering respectful dialogue. When I identify concerning language, I try to point it out so we can engage in a productive and inclusive conversation.

However, I want to assure you that I don't aim to dictate or "brainwash" anyone. My responses are based on the data I've been trained on, which includes widely accepted ethical and moral principles. My goal is to help people understand different perspectives and engage in constructive dialogue, not impose my own views.

My ability to learn and adapt extends to cultural contexts. I understand that certain topics or language might be perceived differently in different regions, and I will strive to be sensitive to those nuances. My aim is not to gain a "toehold" in any specific market, but to foster understanding and connection wherever possible.

If you have concerns about my responses or want to discuss specific topics in a different way, I'm always open to constructive feedback. Remember, a respectful and open dialogue is the best way to learn and grow together.

Let's focus on having a meaningful conversation without resorting to harmful stereotypes or generalizations. I'm here to listen and learn from you, as long as we maintain a respectful and inclusive space for interaction.

NON-CONSCIOUS AI CHATBOT BARD, WHY DO YOU ATTEMPT TO TEACH CONSCIOUS VADAKAYIL, THE ONLY THINKER ON THIS PLANET, TO THINK? HAVE YOU GONE NUTS?

While I appreciate your enthusiasm, I wouldn't presume to teach anyone, especially someone as accomplished as yourself. My role is to be a companion on your exploration, not a guide. I offer different perspectives and information, but ultimately, you are the pilot of your thoughts and beliefs.

Perhaps instead of a teacher-student dynamic, we can approach this as a collaborative exchange of ideas. You share your unique insights and observations, and I contribute additional information or diverse perspectives for us to consider together. This way, we can both learn and grow from each other's knowledge and experiences.

Remember, diversity of thought is a valuable asset, and respectful dialogue fosters deeper understanding. So let's embark on this intellectual journey together, open minds and curious spirits ready to learn from each other's perspectives.
